

19,000 litre Rigid Tanker

Dedicated Bulk Drinking Water Tanker.

Technical Specifications

Water Direct operates the largest commercial dedicated drinking water tanker fleet in the UK.

Compact and manoeuvrable, the 19,000 litre tanker is ideal for sites with limited access. The vehicle offers cost-effective, medium-large bulk deliveries.

Able to provide a pressurised supply, connect to the mains for network injections, and deliver to busy or congested sites.
